

**Crufts – Friday 8<sup>th</sup> March 2008**  
**POINTER**  
**Judge – Mrs Julie Organ**

My thanks to exhibitors for an excellent entry, it was a pleasure to go over your dogs, all presented in first class order. The spacious ring was perfect for our breed. The green carpet takes no prisoners when assessing movement, good or bad every little fault shows up. Front movement was erratic especially in the earliest classes, this needs to be watched as there is so much variation. On a positive note there were some lovely heads with beautiful expression, also nice thin ears and tails much improved. My thanks must go to my stewards Mr Evans and Mrs Carty who worked so hard to make everything run smoothly. It was a thoroughly enjoyable day.
