MINOR PUPPY DOG. (1)

1. Woolfe's Kanix Andrew A very pleasing young dog with lovely outline standing. Good head, neck, topline and tailset. Lovely bone for his age and good depth of chest. Well balanced with good front and rear angulation. Very promising youngster, presented and shown very well.

PUPPY DOG (3,1)

1. Whiting's Rodale Ringleader Lovely head and neck leading into good topline and tailset. Very pleasing outline standing. Preferred the size of this dog to that which stood second. Well balanced and moved well enough. A very promising, quality puppy.

JUNIOR DOG (7)

1. Wilberg's Jilony Freedom with Kanix Very pleasing quality dog who caught my eye as soon as he entered the ring. He has a lovely head and neck with good depth and front assembly. A worthy CC winner in this company today.
